Glossy

Photographic Paper

Zno's Glossy Photo Paper is a 163# (242gsm), Silver Halide based Photographic Paper with a high sheen, smooth textured Glossy coating.

Matte Velvet

Photographic Paper

Zno's Matte Velvet Photo Paper is a 180# (267gsm), Silver Halide based Photographic Paper with a low sheen, velvet like textured Matte coating. It offers a unique soft touch.

Silk

Photographic Paper

Zno's Silk Photo Paper is a 176# (260gsm), Silver Halide based Photographic Paper with a mid sheen, linen textured Silk coating. It offers a nostalgic and vintage look.

Metallic

Photographic Paper

Zno's Metallic Photo Paper is a 178#(264gsm), Silver Halide based Photographic Paper with a high sheen, smooth textured Metallic coating. It offers a unique 3D effect.

Art

Fine Art Paper

Zno's Art Photo Paper is a 155# (230gsm), Giclée based Fine Art Paper with a low sheen, Matte coating. The paper uses an optical brightening agent (OBA) to create a cooler tonality that results in a whiter white-point. It is made from wood pulp and therefore considered archival grade. It is also ISO9706 tested, acid & lignin free, FSC certified and produced in Saxony, Germany.

Ivory

Fine Art Paper

Zno's Ivory Paper is a 155# (230gsm), Giclée based Fine Art Paper with a low sheen, Matte coating. The paper has a warmer tonality. It is made from wood pulp and therefore considered archival grade. It is also ISO9706 tested, acid & lignin free, FSC certified and produced in Saxony, Germany.

Pearlescent

Fine Art Paper

Zno's Pearlescent Paper is a 180# (267gsm), Giclée based Fine Art Paper with a low sheen, grainy texture Matte coating. The paper has a unique glittering effect that sparkles like crushed diamonds and while being scratch-proof as well. It is made from wood pulp and therefore considered archival grade. It is also ISO9706 tested, acid & lignin free, FSC certified and produced in Saxony, Germany.
